To: The Vatican and the Catholic Church

Date: 2 April 2005

## **A Tribute to Pope John Paul the 2nd**

In world history, Pope John Paul the 2<sup>nd</sup> would stand tall as a figure who represented steadfastness and humility, his spiritual convictions never wavered under any media or political pressures, and in some cases other world religious leaders took inspiration from him to affirm their own policies.

The papal constancy of the last three decades that the world witnessed as humane and kind will be sorely missed.

Anil Bhanot  
General Secretary  
Hindu Council UK

Company No: 3364710

Charity No: 1067682

Hindu Council (UK) is an umbrella body representing the UK Hindus and their organisations – established 1994
