## INDIA FLOODS APPEAL 2004

The flood scene in Bihar, Assam, Gujarat and Punjab continues to be grim with the death toll in the states rising daily and leaving millions of people homeless. 25 out of 27 districts in Assam and 18 out of 34 districts in Bihar are under water. Property worth several hundred millions has been destroyed.

There is an urgent need to provide relief to the suffering millions. Whilst the Indian Government is making its own efforts in rescuing people, supplying food medication, clothing and shelter, the magnitude of devastation is such that additional aid and resources is needed urgently to help in the relief efforts.

SEWA International UK has launched an appeal to help these unfortunate victims. Your support will help reduce the sufferings of these people living in the remote areas. For this appeal SEWA International UK is working with Sewa International Delhi and Sewa Bharati, which are Voluntary, Non-Governmental Organizations (NGOs) working on relief and rehabilitation operations in the affected areas.
